

Credit card payment

Please follow the instructions below and pay the visa application fee using a credit card. Credit Card payment option is only available to an individual. For group appointments, please refer to [Group appointments](#).

3. Confirm the information you entered and pay the visa fee.

Click here to complete a payment transaction. If you do not click here, the payment will not successfully complete.

Note: Three payment information numbers (Financial Institution Code, Customer Number, and Confirmation Number) will be generated from the system. This page indicates that your transaction has been completed. **Print out the page and keep it for your records.** The three payment information numbers cannot be retrieved if it is lost.

4. Print the receipt number.

It is very important to save your receipt number and print this page as you will need the 12 digit receipt number to schedule your appointment. It cannot be replaced if it is lost and failure to do so will cause delays. The receipt number will be activated within 4 hours after you have successfully completed your payment.

A screenshot of the 'APPLY FOR A U.S. VISA' confirmation page. The page has a blue header with the text 'APPLY FOR A U.S. VISA' and a red horizontal bar below it. The main content is divided into two columns. The left column is titled 'Terms & Conditions :' and contains a bulleted list of conditions. The right column is titled 'Confirmation of Receipt Number' and contains a 'Print' link, a statement that the receipt number is valid for 4 hours, a masked receipt number, a red warning about saving the receipt number, and a link to 'Schedule Your Appointment'.
